students

**Fachhochschule
Dortmund**

University of Applied Sciences and Arts

Dear colleagues, students, partners and supporters of the Department of Electrical Engineering,

We are pleased to invite you to the Research and Cooperation Colloquium 2025. During this event, researchers, students and cooperation partners will present their current projects and research results. The colloquium offers an opportunity for professional exchange and networking in a pleasant atmosphere.

When: **Wednesday, 19 November 2025, 14:30 – approx. 18:00 (official session)**
Following: Get-together (open end)

Where: **University of Applied Sciences Dortmund**
Sonnenstraße 96, 44139 Dortmund, Room SON A116

For planning and preparation, please register informally by e-mail at: **stefan.kempen@fh-dortmund.de**

We look forward to your participation and the exchange.

Sincerely,
Department of Electrical Engineering
University of Applied Sciences Dortmund

PROGRAMME – Research and Cooperation Colloquium

Part 1: General session

Presentation of the university's and the department's research strategy, cooperation opportunities with the University of Applied Sciences Dortmund, and an inspiring keynote on the importance of industrial property rights in the context of collaborative research and innovation processes.

Part 2:

Presentation of selected research projects of the Department of Electrical Engineering

Part 3:

Current and future research questions from the private sector Cooperation and requests towards the university.

The official programme is expected to end at approximately 18:00.

This will be followed by a get-together in a relaxed atmosphere with snacks and drinks.
